

Septic Tank Program

Funding Opportunities and Resources

Craft3 Financing Opportunities

Craft3 is a nonprofit community development organization that can help if:

- Your septic system is at least 25 years old.
- Your system is failing.
- You've been contacted by local health officials.
- You are under orders to fix your system.

Contact 1-888-231-2170 ext. 125 or scan the QR code to visit their website for more information.

www.craft3.org/homeowner-loans/clean-water/washington

Reimbursement Program

Get your septic tank inspected, pumped, or minor repairs done up to \$800.

- 1 Sign up for a SNA and complete at least one of the recommended practices.
- 2 Ask your SNA team leader if you qualify for the reimbursement program.
- 3 Fill out the reimbursement eligibility form.
- 4 Wait to receive an email telling you that you are eligible.
- 5 Get your septic tank inspected, pumped, or minor repairs done up to \$800.
- 6 Submit receipts to your SNA team leader.
- 7 Receive a reimbursement check for up to \$800 in the mail within 30 days.
